Forecast For Northwest England
Issued by Met Office Exeter
at 0400 on Friday 01 Oct 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Remaining windy with sunshine and scattered showers.

Today:
Scattered showers, most intense early, some locally heavy and possibly thundery with some hail. Sunny spells through the day, winds remaining high across coastal locations, and in upland areas; blustery further inland. Maximum temperature 15 deg C (59 deg F).

Tonight:
Showers lingering overnight, becoming more persistent rain for the north of the region in the early morning. Evening clear spells before cloud increases overnight. Strong winds along the coast. Minimum temperature 7 deg C (45 deg F).

Saturday:
A cloudy start, the rain in the north continuing through the morning, before affecting the whole region and clearing through the evening. Potential coastal gales early, remaining blustery. Maximum temperature 14 deg C (57 deg F).

Outlook for Sunday to Tuesday:
A period of sunny spells and showers, some heavy and thundery at times. Remaining windy on Sunday, especially along the coast, before easing into Monday and Tuesday.
